Listen • Speak • Have Fun - 0 to 5 years

A multilingual workshop for children.

Welcome to our Language workshops

A fun language-exposure workshop designed to give children a taste for communicating in English, French or Spanish. Through play, repetition, songs, stories and movement, children get comfortable with a new language in a warm and engaging setting.

Speak and play!

Children sing, move, ask and answer questions, and use new words and expressions in fun, real-life situations.

Benefits for children

Vocabulary: Enriches everyday vocabulary,

Listening and comprehension: Builds the ability to understand a spoken language.

Confidence: Encourages children to try new words without fear of making mistakes.

Cultural awareness: Introduces sounds, songs and expressions unique to each language.
